Bulletin Bites!

The trash we put on the curb to be discarded reveals much about who we are and what we do in life. It contains the packaging of the products that we treasure. It reveals where our heart is. What is in our trash? Is it packaging from the latest electronic games, the best type of athletic equipment, the current fashion in clothes, the appliances with the most features, containers that held gourmet foods? There are some people whose hearts are not revealed by their trash. They have no trash. Sadly, they have nothing to throw away. They don't have sufficient food and they have very little clothing. We would do well to remember the words of Jesus, "Much will be required of the person who has much, and still more of the person entrusted with more." When we bring our trash to the curb we should ask, "How much treasure have I been entrusted with and what does this trash reveal about my heart?"

TODAYS REFLECTION

Faith and the Reasoning of the Religious Mind

God cannot be analyzed scientifically the way one would study the things of the world, but God can be approached through religious reasoning, or Faith. Faith is often criticized as unintelligent tomfoolery. Nothing could be farther from the truth. The Catholic tradition reveals that Faith is a rational reaction to God in the religious person. It is the reasoning of the religious mind.

MONDAY NIGHT PRAYER GROUP

ALL ARE WELCOME!

Sr. Alicia and Mickie Wright are planning on going to Honduras at the end of September for a missionary experience with "Water With Blessings". We would like to invite you to be a part of that mission by helping to support us on this journey both prayerfully and financially. It will cost each of us around \$1500.00 to go and what other monies are remaining after our expenses are paid will go to purchase "water filters" for the "water women" we will be working with. Thank you so much for helping to support us in this ministry.

In God's love,

Sr. Alicia & Mickie Wright

St. Francis Ladies Guild invites you to join our ministry. We consist of women of all ages, interests, professions and backgrounds. The purpose of Ladies Guild is two-fold:

- To provide fellowship to the women of the parish
- To provide service to the parish and local agencies in need

In some ways, we are like both Martha, the one who acted, and Mary, the one who simply made herself available. Ladies Guild does a tremendous amount of service for the parish.
