BULLETIN BITES!!

**"The one who hears the Word and understand it . . .
Bears fruit and yields a hundred or sixty or thirty fold."**

The people who heard Jesus tell the parable of the sower would have understood: seeds that fall on fertile ground would have a better chance of producing better than seeds that land on a path or rocky ground. Jesus was aware that they may not have understood the deeper spiritual and philosophical meaning of the story. Recalling the words of Jeremiah [5:21] "You foolish and senseless people, who have eyes and do not see, who have ears and do not hear" and quoting Isaiah [6:9] Jesus said, "Whoever has ears ought to hear." When the others departed the disciples asked Jesus to explain to them the meaning of the story. He reveals that the seed represents the Word he has come to proclaim and live. Some will hear the Word but loose interest; some will they will abandon it or they will find it challenging and abandon it; but some will hear the Word and accept it and live it regardless of the difficulties and risk. The disciples understood and produced "a hundred or sixty or thirty fold." **Do we understand? How much are we producing?**

TODAYS REFLECTION

The Fecundity of Your Heart

fe-cun-di-ty: the ability to produce an abundance of offspring or new growth; fertility.

God sows his Word into each of our hearts liberally. He does not solely give his grace to those he knows will bear fruit. He sows the Word in everyone, but it doesn't flourish for each person due to circumstances (secularism, anxiety, the allurements of the world). Strive to counter that by letting the Word open you to the implications of his Lordship. God is always giving himself to you, listen and act. "Seek first the Kingdom of God and his righteousness, and the rest will be given to you." Make God the center of your life, and you will be spiritually ordered in Christ's image. But if you make wealth and security your center, you will be empty. You make the choice: will God be your center?
